# BACCALAUREUS DIVINITATIS (extended programme)

The following bachelor's degree is awarded in the Faculty of Theology at NQF Level 8:

Qualification	Min. period of study	Abbreviation	Study code	Programme code	Total credits
Baccalaureus Divinitatis (extended programme)	Five years	BDiv (extended programme)	9401 <sup>55</sup>	M9EXT	656

**REG. K1 BACCALAUREUS DIVINITATIS (extended programme)**  
**BDiv (extended programme)**  
**Study Code 9401** **656 credits**

## Information

The Baccalaureus Divinitatis (extended programme) degree is a professional degree designed in consultation with Christian churches. It offers a comprehensive and thorough theological-critical and disciplinary grounding in knowledge, theory, principles and skills required by, and of the ministerial profession, as well as a high level of independence and development in research capacity. The programme is, therefore, recognised by churches, associations and societies. It develops graduates to demonstrate meaningful initiatives and responsibilities in a professional context. Completion of the Baccalaureus Divinitatis (extended programme) may meet the minimum entry requirements of Master's degrees.

The BDiv (extended programme) programme accommodates compulsory developmental modules in order to prepare students to

---

<sup>55</sup> CHE accreditation pending. In the meantime, students will enrol for the BTh extended curriculum (9304) and follow the BDiv extended curriculum. After CHE accreditation, students will articulate to the BDiv.

master the academic requirements for admission into, and completion of the BDiv degree.

### **Admission**

To be admitted to the Baccalaureus Divinitatis (extended programme), a student must be in possession of

- i. a Senior Certificate with endorsement (until 2007), with an M score of 25-29 points; or
- ii. a National Senior Certificate (from 2008) with an Admission Point (AP) of 25-29, with a minimum performance mark of 50% (performance level 4) in one of the official teaching languages of the UFS, or
- iii. an equivalent qualification of equivalent academic standard.

### **Academic placement**

It is compulsory for prospective UFS students to write the National Benchmark Tests (NBTs) prior to the registration period in January each year. The UFS thus recommends that prospective students write the NBTs during their Grade-12 year. Theology students write the Academic and Quantitative Literacy Test only. Visit the NBT website at [www.nbt.ac.za](http://www.nbt.ac.za) or contact Pearl Mogatle (051 401 2448).

### **Curriculum**

The curriculum for the Baccalaureus Divinitatis (extended programme) takes a minimum of five academic years (10 semesters) to complete. The degree requires a minimum of 656 credits, of which 384 consist of compulsory core modules and 112 of compulsory developmental modules. A further 160 credits, which form part of the 656 credits prescribed, must be obtained in order to complete the degree. If these 160 credits are not partially made up by Hebrew and Greek (total of 128 credits), any other applicable fields can be selected. The latter is based on the prerequisite that no more than 96 credits of the electives are at NQF Level 5, the rest at NQF Levels 6, 7 or 8, and that the electives do not clash with the lecture and examination timetables of the University. Since 2012, the university developmental module UFS101 (16 credits) forms part of the developmental modules in the extended programme and students register for this module in the second academic year. The curriculum must be compiled based upon academic advice by the Director of Programmes.

In the compilation of the curriculum, it is the responsibility of students to consider the module and lecture hall timetable in order to avoid timetable clashes.

### First and second years

Total credits in the first year: 132 (Theology: 32 as well as developmental modules: 100). Total credits in the second year: 144 (Theology: 32 credits, UFS 101: 16 credits, as well as fundamental and/or electives: 96 credits).
