AGREEMENT BETWEEN UFS MANAGEMENT AND STUDENT LEADERSHIP IN RELATION TO RESIDENCES

In relation to the previous communication about students vacating the residences at 12:00 on Saturday 15 October 2016, the university agreed with the student leadership that students who wish to remain in residences can do so.

However, students wanting to stay must apply through the dedicated email address, hotline@ufs.ac.za. Students applying to stay must send an email with their initials and surname, student number, name of current residence, and a short motivation for staying, to the mentioned dedicated email address.

After this, students who applied will receive a form from the residence heads, which they must sign.

In signing this form, students agree to:

- Not to disrupt academic activities, including the library and computer laboratories.
- Allow other students to continue their academic work undisturbed.
- Allow support staff to do their work on campus.

The agreement is applicable to residence students on the Bloemfontein and South Campuses.

Should this agreement not be honoured, management reserves the right to review its decision.

OOREENKOMS TUSSEN UV-BESTUUR EN STUDENTELEIERSKAP MET BETREKKING TOT KOSHUISE

Met betrekking tot die vorige kommunikasie oor studente wat die koshuise teen 12:00 op Saterdag 15 Oktober 2016 moet ontruim, het die universiteit met die studente-leierskap ooreengekom dat studente wat in koshuise wil aanbly, dit mag doen.

Studente wat wil aanbly moet egter deur middel van die aangewese e-posadres, hotline@ufs.ac.za, daarvoor aansoek doen. Studente wat aansoek doen om te bly, moet 'n e-pos met hulle voorletters en van, studentnommer, naam van huidige koshuis en 'n kort motivering waarom hulle wil aanbly, aan die genoemde e-posadres stuur.

Hierna sal studente wat aansoek gedoen het, 'n vorm van die koshuishoofde ontvang, wat deur hulle onderteken moet word.

Met die ondertekening van hierdie vorm, onderneem studente om:

- Nie akademiese bedrywighede, waaronder die biblioteek en rekenaarlaboratoriums, te ontwrig nie.
- Ander studente toe te laat om ongestoord met hulle akademiese werk voort te gaan.
- Steunpersoneel toe te laat om hulle werk op die kampus te doen.

Hierdie ooreenkoms is van toepassing op koshuisstudente op die Bloemfontein- en Suid-kampus.

Indien hierdie ooreenkoms nie nagekom word nie, behou bestuur die reg om sy besluit te heroorweeg.
