

## CURRICULUM VITAE: MICHELLE CATHERINE ENGELBRECHT

### PERSONAL PARTICULARS

- Date/place of birth:** 25 December 1972, Dundee, South Africa
- Maiden name:** O'Brien
- Nationality:** South African
- Present occupation:** Deputy Director and Senior Researcher, Centre for Health Systems Research & Development, University of the Free State (UFS), South Africa

### ACADEMIC CAREER

- 2015: Deputy Director: Centre for Health Systems Research & Development
- 2008: Senior Researcher: Centre for Health Systems Research & Development, UFS
- 2001: Researcher: Centre for Health Systems Research & Development, UFS
- 1997: Junior Researcher: Centre for Health Systems Research & Development, UFS
- 1996: Research Intern: Department of Psychology, University of Port Elizabeth
- 1994: Tutor: Department of Psychology, University of Port Elizabeth

### QUALIFICATIONS

- 2005: PhD (Interdisciplinary Psychology and Sociology), UFS. Thesis: Termination of Pregnancy Policy and Services: An appraisal of the implementation and operation of the Choice on Termination of Pregnancy Act (92 of 1996). Promoter: Prof HCJ van Rensburg (CHSR&D, UFS). Co-promoter: Prof André Pelsler (Department of Sociology, UFS).
- 1996: MA (Research Psychology), UPE. Dissertation: Factor analysis of the adapted AIDS Attitude Scale. Supervisors: Ms G Astbury and Prof JPP Fullard (Department of Psychology, UPE).
- 1994: BA Honours (Psychology), UPE.
- 1993: BA (Psychology and Sociology), UPE.

### SCHOLARSHIPS AND BURSARIES

- 1999: PhD bursary: National Research Foundation
- 1995-96: MA bursary: Centre for Science Development
- 1994: BA Honours bursary: Centre for Science Development

### ONGOING TRAINING

- 2014: Workshop on article writing for the mid-career programme, UFS, 19-21 May 2014.
- 2013- Mid-career development, UFS.
- 2013: NRF rating workshop, UFS, 5 September.  
Introduction to mixed methods, UFS, 19 August.
- 2011: Qualitative research, State University of New York Downstate Medical Center (SUNY-DMC) and New York University (NYU). CHSR&D, 22 September, 13 October.

- 2009: Intermediate training on SPSS and statistical analysis, SPSS-SA, UFS, 23-24 June 2009.  
SPSS data management and manipulation, SPSS-SA, UFS, 25-26 March.
- 2008: Epidemiology and biostatistics training for health and research professionals, SUNY-DMC. CHSR&D, 4-6 November.
- 2007: Introduction to SPSS and statistics, SPSS-SA, UFS, 11-13 June.  
Introduction to Mr Interview, SPSS-SA, UFS 14 June.
- 2006: Health and violence against women and children, Free State Departments of Health and Social Development, Bloemfontein, 22 November.  
Postgraduate supervision, University of Stellenbosch, Bloemfontein 30 October – 1 November.
- 2005: Scientific writing, UFS 4-6 April.
- 2004: Panel data analysis, UFS, 5-9 July.

#### RESEARCH PROJECTS/FUNDING/ROLES

	<b>Project</b>	<b>Funding</b>	<b>Role</b>
2017-2018	Between a rock and a hard place: emotional well-being and work engagement of nurses who moonlight in Free State hospitals	Interdisciplinary grant, University of the Free State	Principal investigator
2016-2019	Improving TB outcomes by modifying life-style behaviours through a brief motivational intervention (PROLIFE)	The South African Medical Research Council (SAMRC) with funding received from the South African Government's National Department of Health and the UK Medical Research Council	Free State co-ordinator
2015-2019	Towards a health-enabling working environment: developing and testing interventions to decrease HIV- and TB-stigma among healthcare workers in the Free State, South Africa	VLIR OUS	South African co- principal investigator
2015-2016	Situational analysis of the implementation of TB prevention and infection control strategies in Mangaung Metropolitan District	NRF	Principal investigator
2012-15	Promoting health equity by addressing the needs of health workers: A collaborative, international research programme 2011 - present.	Canadian Institutes of Health Research (CIHR)	South Africa project co-ordinator
2011-13	Evaluation of professional and community health worker training and mentoring interventions to improve TB patients' uptake of HIV counselling and testing in the Free State Province, South Africa	Centers for Disease Control (CDC) SA, UFS strategic Cluster: Sustainable Development and Poverty Alleviation – Focus Area: Health and Wellness	Researcher
2011-12	Centers for Disease Control (CDC) SA, UFS strategic Cluster: Sustainable Development and Poverty Alleviation – Focus Area: Health and Wellness	International Development Research Centre (IDRC)	South African project co-ordinator.

	<b>Project</b>	<b>Funding</b>	<b>Role</b>
2010-14	Tool, weapon or white elephant? Assessing the application of a state-of-the-art information system created for use in occupational health in South Africa	Canadian Institutes of Health Research (CIHR)	South African project co-ordinator.
2010-11	Baseline assessment of TB programme management in John Taola Gaetsewe District, Northern Cape	Centers for Disease Control (CDC) SA	Researcher
2010-11	Assessing the Impact of CDC Partner Interventions to Improve TB Control in Alfred Nzo and OR Tambo Districts, Eastern Cape	Centers for Disease Control (CDC) SA	Researcher
2009-10	The nature and health systems consequences of casualization, agency nursing and moonlighting in South Africa (CAM)	Atlantic Philanthropies	Researcher
2008-10	Assessment of TB-HIV/AIDS Informatics in the Free State TB Management Programme	Free State Department of Health	Researcher
2007-10	CHSR&D-SUNY DMC "Twinning" partnership	American International Health Alliance HIV/AIDS Twinning Center	Researcher
2007-14	Non-uptake of counselling and testing for HIV among TB patients in the Free State: Research to inform intervention	Department for International Development, National Research Foundation, Medical Research Council, UFS Strategic Cluster on Transformation in Diverse Societies	Researcher
2007-09	The PEARL Study: PMTCT Effectiveness in Africa	Centre for Disease Control and Prevention	Free State project co-ordinator
2006	Models of care for antiretroviral service delivery.	Doris Duke Charitable Foundation	Free State project co-ordinator
2005-06	Burnout and compassion fatigue in professional nurses	JEAPP	Project co-ordinator
2004-07	Public sector antiretroviral treatment (ART) in the Free State: documenting, monitoring, evaluating and facilitating implementation of the National Treatment Plan in the Free State	Canadian International Development Agency, Department for International Development (UK), Development Cooperation Ireland, Ford Foundation, Foreign Assistance Agencies of Australia HIV Care Programme (HIVCare), International Development Research Centre (Canada), Joint Economic Aids & Poverty Programme, Medical Research Council, National Research Foundation, US Agency for International Development, United Nations Development Programme	Researcher

	<b>Project</b>	<b>Funding</b>	<b>Role</b>
2004	Evaluation of home-based care services in the Free State	Bristol-Myers Squibb	Researcher
2003-05	Identifying barriers experienced by minors in accessing termination of pregnancy services in the Free State	Ipas	Principal investigator
2002-03	Mapping the delivery of key primary health care programmes in eight urban renewal nodes in South Africa	National Department of Health, Centers for Disease Control and Prevention	Researcher
2003	National Primary Health Care Facility Survey	National Department of Health, Health Systems Trust, MSH/Equity Project	Project co-ordinator
2002-03	Assessing the levels of compliance with Tobacco Legislation	World Health Organization	Researcher
2002	The socio-economic impact of HIV/AIDS on households in South Africa: Pilot study in Welkom and Qwaqwa, Free State Province	Foreign development agencies of Australia (AusAID), the UK (DFID) and USA (UASID)	Researcher
2002	Rapid situational analysis: tuberculosis control in Sakhisizwe, Eastern Cape	AMREF South Africa	Researcher
2002	Piloting and enriching research instruments on the compliant behaviour of people with chronic diseases and on the special health needs of children with disabilities	National Department of health	Researcher
2002	Monitoring and evaluating the implementation level of lifeskills and HIV/AIDS education programmes in primary and secondary public schools in the Free State.	Free State Department of Education	Researcher
2001	Strengthening local government and civic responses to the HIV/AIDS epidemic in South Africa: a study commissioned by the Ford Foundation to inform its Sexual and Reproductive Health Programme for South Africa	Ford Foundation	Researcher
2000	National PHC Facilities Survey	Health Systems Trust	Researcher
2000	Assessment of current health care referral systems in the RSA: a study of the current referral patterns, including the views and experiences of users and providers of health services	National Department of Health	Researcher
1999	Tuberculosis (TB) in Tshepo, Kopano and Hlanganani Health Districts (Free State): a situational analysis	Initiative for Sub-district Support, Health System Trust	Researcher
1999	My Career: a study on awareness, use, needs and impact among users and potential users	National Department of Labour	Researcher
1998-99	Baseline population and development data for the Flagship Programme in Fraserburg, Bekkersdal and Elliotdale	National Population Unit, Department of Social Development	Researcher
1998-99	Developing and implementing a project management strategy to overcome impediments to the implementation and operation of the Choice on Termination of Pregnancy Act in the Free State.	Health Systems Trust	Principle investigator

	<b>Project</b>	<b>Funding</b>	<b>Role</b>
1998	Improving the delivery of health care to the urban and rural communities in the Bothaville district	Health Systems Trust	Researcher
1998	A profile of the attitudes of three communities towards suicide-related issues and volunteering	Befrienders	Principle investigator
1998	South African Demographic and Health Survey	Centre for Epidemiological Research in South Africa, Medical Research Council; Directorate Health Systems Research & Epidemiology, National Department of Health	Researcher
1998	The effectiveness and efficiency of the screening of patients by professional nurses in clinics providing primary health care in regions C and D of the Free State province: possible problems and solutions	German Development Corporation for Southern Africa, Health Systems Trust, Free State Department of Health	Principal investigator
1997	Assessment to inform the role of the community health worker in Mangaung	Mangaung University Community Partnership Project	Researcher
1997-98	The health of Gariep and Tshepo: guides for managers and governors	Health Systems Trust	Researcher
1997-1998	PHC/Info project (Research training in six health regions of the Free State)	GTZ, Health Systems Trust, Free State Department of Health	Trainer
1997	Developing a core PHC PHC Package for South Africa	Health Systems Trust	Researcher
1997	The user-friendliness of the Petrusburg Community Health Centre: a survey	Free State Department of Health	Researcher
