

Highest Academic Qualification: B.Soc.Sc.Hons. (Psychology);
B.Soc.Sc.Hons. (Industrial Psychology) I am currently lecturing first-year Industrial Psychology students in Organisational Behaviour and Human Resource Management. I am also a registered at the HPCSA as a counsellor (Pshycometrics). Furthermore I am registered as a Counsellor at the Board for Counsellors in South Africa. I am also busy with my Masters degree in Industrial Psychology (in Interactive Drama) which I will finish at the end of 2007. Finally, I am in the process of developing and presenting training programmes on various subjects, using interactive drama and music if applicable to the subject and the audience.

Lyle Markham was born and raised in Kimberley, South Africa. I graduated from the University of the Free State in 2002 and completed his B. A. Honours (Industrial Psychology) in 2003. While studying, I was also the president of the Golden Key International Honours Society. Golden Key recognizes the top 15 percent of students on campus. I am currently lecturing in the field of Human Resource Management and Research Methodology. I am also involved at the University's School of Management lecturing in HR and Business Ethics. I am currently completing my Masters degree titled "Quality of work life as a predicator of mental health in the workplace".
