What I learnt from the study of great leaders – Prof Jonathan Jansen

(Gandhi, Luthuli, King, Mandela)

Seven key characteristics:

1. The capacity for care (empathy over indifference)
2. The capacity for contemplation (reason over rage)
3. The capacity for courage (boldness over timidity)
4. The capacity for change (flexibility over rigidity)
5. The capacity for contrition (humility over arrogance)
6. The capacity for conciliation (togetherness over separation)
7. The capacity for clarity (focus over muddled thinking)
